I am Ted Schroll, Legislative Representative for the Connecticut State Firefighters Association. Our Association represents approximately 26,000 career and volunteer firefighters in Connecticut.

The Connecticut State Firefighters Association is grateful for your support in the past. The members of our Association ask for your continued support for the allocation for Connecticut's firefighters. This important disability provision does much to improve the quality of life for firefighters and their families when at their greatest need. Thank you for this opportunity.

Respectfully Submitted,
